

2022 - 2023 Recreational Attire/Shoe/Hair Requirements

All students are required to wear appropriate dance attire. This will permit instructor(s) to give the best possible experience for your dancer. Hair must be tied back in a bun or ponytail for dancers with longer hair. Dancers with shorter hair should pin back sides away from the face. Dancers should not wear bracelets, dangling earrings, necklaces, or watches to class. We suggest dancers use a dance bag for shoes and other items, so that they are not misplaced and/or lost when changing classes.

Please label all shoes. You can purchase a Studio East Dance Bag and other apparel at: www.aodesignusa.com.
